

SkyTeam Cargo redesigns its web site

The new web site is a customer-friendly information source about SkyTeam Cargo and its member airlines. It is available in five language versions – English, French, Italian, Korean and Spanish.

With SkyTeam Cargo's new web site, customers can:

- Track their shipment and check flight schedules of six airlines.
- Learn the latest SkyTeam Cargo news and events.
- Review SkyTeam Cargo's product and network map through animation, making the information easier to read
